

AUSTRALIAN SHAREPOINT CONFERENCE

20+21 MARCH 2012, MELBOURNE

YOU ARE INVITED!

The Australian SharePoint event of the year returns for a third year promising again a combination of powerful speakers and extensive content.

20 + 21 March 2012

www.sharepointconference.com.au

AGENDA Over 50 Sessions suited to a wide audience.

TECHNICAL CONTENT

TWO tracks (over 20 sessions) that deep dive into Infrastructure, Development and Architecture.

CASE STUDIES

Short, sharp, 25 minute presentations that showcase Customer Stories. Over the two day event, the conference brings 20 different sessions! See how others are making the most of their SharePoint deployments.

BUSINESS CONTENT

Explore the business capability and benefits of SharePoint through demonstrations at all levels, some introductory, and some that delve into specific features.

OFFICE, PRODUCTIVITY AND BI

Brand new in 2012, this track will cover the Office Suite and integration points with SharePoint and also include a wide range of data visualisation and business intelligence sessions.

WORLD RENOWNED SPEAKERS

This event attracts some of the best SharePoint experts from around the globe. Have your questions answered by the best to help maximise your own SharePoint experience. The full agenda and speaker line-up can be seen at www.sharepointconference.com.au
